

About C2C Haiti (Boilerplate Text)

(Use this short paragraph in every press mention — consistent branding)

C2C Haiti is a nonprofit organization dedicated to empowering Haitian communities through education, healthcare, environmental stabilization, and emergency relief.

Founded in 2010 after the devastating earthquake, C2C Haiti believes that sustainable change comes through collaboration and community-driven leadership.

Through long-term partnerships and on-the-ground engagement, the organization works alongside local residents to build self-sufficient communities that thrive beyond crisis response. C2C Haiti connects donors, volunteers, and partners around the world to create a lasting impact in Haiti and beyond.
